PRAISE

"The highly anticipated *Night Star* is the fifth book in the installment of the Immortal series. With one last book left in the series (due out in summer of 2011) it is no wonder how Alyson Noël's Immortal series has 2 million copies in print. It is addictive, riveting, and an experience you'll never forget. . . Alyson Noël finds a way to captivate her readers and wins her fans over by creating a hypnotizing voice. Your voice wins me over every time, Alyson. Keep up the great work!"

—*Martha Ramirez Reviews*

"...The true magic of the story, though, is not so much in the plot and the amazing characters within it. The true magic is the positive outlook, and the way these novels can just leave the reader feeling refreshed and like they learned something. Without being preachy, without sounding like a self-help book, Noël touches on the acceptance of death, the dangers of anger, and, once again, the power of positive thinking. And whether its Haven spiraling out of control, the twins finally making their way back into Summerland, or Ever finally overcoming her weakness, the message comes through loud and clear—it's all about acceptance and facing life in a positive way. If you haven't bought this yet, go get it right away!"

—*5 Stars, The Examiner*

"...Alyson Noël continues to write amazing stories that sizzle. *Night Star* jumps right into high action and never slows down, not even after the last page. Her writing is intense and vivid, pulling readers into the depths of her imagination. She cleverly weaves in the horrors of bullying, and the wounding effects on the hearts and souls of those involved. She also offers up a few inspirational passages, including Miles's speech about his reasons for remaining mortal, that may remind readers to appreciate the gifts of life."
